**A Stripper's Life of Self Destruction**

An exotic dancer's life becomes a living hell when she begins to transform into the biblical demon Lilith, a half-woman/half-serpentine shape-shifter. Her dark adventure is the setting for "The Maidens of Babylon," the new fantasy novel from S. Monique Craig.

The dancer, Monica Crawford, becomes a dancer at The Babylon Nightclub in an effort to escape the clutches of a self-confessed serial killer and rapist. When several of the club's dancers disappear, Monica's friends convince her she is the key to solving the mystery. However, they don't know about her demonic transformation.

Told from a first-person perspective and highly illustrated, "The Maidens of Babylon" is an intricate page-turner written, designed and illustrated by the author. Craig is an accomplished artist and illustrator as well as a former journalist.

"The Maidens of Babylon" is available in hardcover (ISBN 1-58939-403-8) and softcover (ISBN 1-58939-375-9) from Virtualbookworm.com, Amazon.com and Barnes and Noble.com. The book can also be ordered from most bookstores around the United States and the United Kingdom.
